September 2014 Volume 5, Issue 2

A Message from the President:

Greeting Pan-Hellenic Council Members:

I truly hope that each of you had an enjoyable summer, and now ready to serve our community with great community service works this 2014- 2015 year. It is my goal as the President of the Council to continue the great work that we have done throughout Montgomery County and to raise the bar for a standard of Excellence. I am committed to being dedicated to the process of making sure we reach our goals and communicate the great work we do here in Montgomery County. It is important to me that we have great communication and synergy to have a productive year. With that being said, I welcome your suggestions, ideas and most of all commitment to the process.

For the upcoming council year it is important to continue our signature events such as the Annual School Drive, Montgomery County Service Day, and Montgomery County National Pan-Hellenic Greek Weekend. We will also continue to support the Game Changer Event along with supporting our local Pan-Hellenic Chapters events.

In 2013-2014 we had a lot of success and it is my desire to continue to move that forward. Let us continue to be a driving force in serving The Montgomery County communities, we really do make a difference with the work that we do.

Respectively,
Anthony Proctor,
2014-2015 National Pan-Hellenic President, Montgomery County

NPHC POEM

When an Alpha looks in the mirror,
Looking back he sees,
A man of Vision, Stature and Integrity.

When an AKA looks in the mirror,
Looking back she sees,
A woman of Virtue, Education, and Dignity.

When an Kappa looks in the mirror,
Looking back he sees,
A man of Intelligence, Service, and Possibility.

When an Omega looks in the mirror,
Looking back he sees,
A man of Strength, Heart, and Masculinity,

When an Delta looks in the mirror,
Looking back she sees,
A woman of Sophistication, Love, and Excellency.

When an Sigma looks in the mirror,
Looking back he sees,
A man of Honor, Purpose, and Ability.

When A Zeta looks in the mirror,
Looking back she sees,
A woman of Trust, Action, and Ingenuity.

When a SGRho looks in the mirror,
Looking back she see,
A woman of care, Soul, and Humility.

When and Iota looks back in the mirror,
Looking back he sees,
A man od Distinction Progress, and Utility,

When a Greek looks in the mirror,
Looking back they see,
A long line of struggling brothers and sisters,
To ensure our freedom and equality.

When a Greek looks in the mirror,
Looking back they see,
The ability to change the world
In each of their founders' dreams.

When a Greek looks in the mirror,
Looking back they see,
The eyes of a nation focusing
On what this world was meant to be.

When a Greek I looks in the mirror,
Looking back they shouldn't see,
Colors, calls and symbols
Misused to fracture and degrade a community.

When a Greek looks in the mirror,
Looking back they should see,
The collective gathering of the Divine Nine
To unite and encourage
A nation in need...

Because...
When a Non-greek looks at a Greek
Looking back they should see,
A helping hand,
An encouraging heart,
And a vision to succeed.
