## President's Letter

August 12, 2015

Greeting Pan-Hellenic Council Members:

Welcome back and I hope that all had an enjoyable summer. It my hope we are ready to serve and be seen in the community with great service work for the calendar year 2015-2016. It is my goal as the President of the Council to continue the great works that we have done throughout Montgomery County over the last year and to raise the bar for to standard of Excellence. I am committed and hope all are willing to be dedicated to the process of making sure we reach our goals and communicate the great works we have and will do in Montgomery County. It is important to me that we have communication and synergy to have a productive year. With this being said I am open to any suggestions, ideas and the commitment to provide service to the community.

For the upcoming Council year it is very important that we continue our signature events such as the Annual School Drive, Montgomery County Service Day, Greek Weekend and the Cheesburger Cheesburger Fundraiser. We will continue to support the Game Changer Event as well as the African American Health Program. It is my hope that we will support the new initiative of the Greek Picnic and the Memorial Day Parade.

For Council year 2014-2015 we were able to successful complete a number of events and it is my hope that we continue to move forward. Let us continue to be driving force in serving Montgomery County community, we have really made a big difference in the work that we have done in the community.

Respectfully,

*Anthony Proctor*
